

Safeguarding Statement for Parents

At Annie's Tutoring, the safety and wellbeing of every child is our highest priority. We are committed to providing a safe, respectful and supportive learning environment for all students.

Annie's Tutoring follows the principles of **Keeping Children Safe in Education (KCSIE)** and all relevant UK safeguarding legislation, including the **Children Acts 1989 and 2004**.

All tutoring sessions are conducted with professionalism and care, whether in person or online. Safeguarding measures include:

- Holding a current **Enhanced DBS certificate**
- Completing regular safeguarding and child protection training
- Following strict confidentiality and data protection procedures
- Ensuring online lessons are delivered securely on approved platforms
- Maintaining clear professional boundaries at all times

Parents and guardians are encouraged to play an active role in their child's learning and safety. A responsible adult should be present in the home during in-person sessions.

If you have any concerns about a child's safety or wellbeing, please contact the **Designated Safeguarding Lead (DSL)** using the contact details below. All concerns will be taken seriously and handled in line with national safeguarding procedures.
